## This Week:

This week we will discuss emotions: love, friends, and St. Valentine's Day. The children will learn the signs for the song "Jesus Loves Me" and we will talk about how Jesus loves all the children and how we should love each other and should always be kind. We will also have our Valentine's Day (class only) party on Tuesday. Thanks to all the parent's who donated items for the party.

## NOTICE:

Ms. Lori and I have been having an ongoing discussion with the children about the importance of **Respect**. **Respect** is one of the main rules of Monongalia Schools; and is a concept that will follow your child for the rest of their school career. Some of the children have been disrespectful to afternoon teachers (floaters) and substitutes. Please remind your children of the importance of being respectful to all adults- not just their regular teachers. Thank You!

**Love,**
