Miss Dottie and Miss Beth

---

**Unit Theme:** Valentine's Day Fun

It is our plan to spend the entire week teaching the children to think about others. We want them to learn to show love and be a blessing. The children will make gifts for loved ones and sing songs about being loving.

They will hear many stories about loving relationships. Most importantly they will hear about God's love through Bible stories we will be reading to them. Hopefully they will begin to grasp God's love for them.

**Spiritual Emphasis:** Jesus loves each of us.

Verse-"Be kind to one another." Eph 4:32

Story-The Little Children and Jesus Matt 19:13-15

**Classroom News:**

The children really had fun with Music and Movement last week. Kendall, Sam, and Lenyn really got into their groove when dancing to the oldies. They all loved using the rhythm instruments and marching around the climbing structure.

Miss Beth's instruments were a hit. She played Twinkle, Twinkle Little Star on her flute. The children got to push chord buttons on the accordion as she expanded the bellows. Cael, Celia, and Stella especially liked strumming the ukulele and the bongo drum was Alexis' and Van's favorite.
